The image shows the Edusprint+ login interface with the input fields filled. The 'SchoolGroup Code' field contains 'Asis', the 'Username' field contains 'Ajspp\_s\_7149', and the 'Password' field contains '.....'. A keyboard is visible at the bottom, and the 'Sign In' button is highlighted. The 'Forgot Password' link is also present.

4. It will ask you to set new password as per the below screen. So enter old password, new password and confirm password as new one and then click on Save button then once again enter the login details as per the above screen shot.

The screenshot shows the 'Change Password' screen in the Edusprint+ application. At the top, there is a blue header with a white back arrow and the text 'Edusprint+'. Below the header, the title 'Change Password' is centered. There are three password input fields, each with a lock icon on the right. The first field contains a series of dots. The second and third fields also contain dots. Below the input fields are two blue buttons: 'Save' and 'Reset'. At the bottom of the screen, there is a footer that reads 'Powered By MICM Net Solution Pvt. Ltd.' and a standard Android navigation bar with three icons: a square, a circle, and a triangle.

The screenshot shows the 'Sign In' screen in the Edusprint+ application. At the top, there is a blue header with the text 'Edusprint+'. Below the header, there are three input fields. The first field contains the text 'Asis' and has a keyboard icon on the right. The second field contains the text 'Ajspp\_s\_7149' and has a user icon on the right. The third field contains dots and has a lock icon on the right. Below the input fields is a large blue button with the text 'Sign In'. Underneath the button is a link that says 'Forgot Password'. At the bottom of the screen, there is a footer that reads 'Powered By MICM Net Solution Pvt. Ltd.' and a standard Android navigation bar with three icons: a square, a circle, and a triangle.

5. After clicking on allow button the first page will be looked like below. If you want to access more options then click on application icon☰ option.
